Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

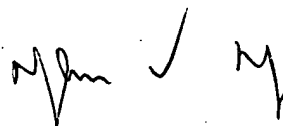

The prior arts of record do not disclose the optical semiconductor apparatus comprising a surface-emitting semiconductor laser device and a light-receiving device in which the surface-emitting semiconductor laser device and the light-receiving device are disposed on a common substrate; the surface-emitting semiconductor laser device functions as a light signal transmitting device, has columnar layered structure, and has a light emerging surface on the columnar layered structure; the light-receiving device functions as a light signal receiving device, has an annular layered structure around the surface-emitting semiconductor laser device with an isolation region interposed there between, and has annular light-receiving surface and the columnar light-emerging surface lying at the same level; and the diameter of the light-receiving device is smaller than that of an optical fiber core optically coupled with the optical semiconductor apparatus.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to Examiner Ngan Ngo at telephone number (571) 272-1711. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
